- ❖ 747cc EFI Kohler engine Electric start
- ❖
 - Weight 720 pounds.
 - 650 pound capacity.
 - Large open floor plan to allow for your custom set-up.
- ❖ Powder coated welded .100" thick aluminum hull
 - Providing strength and great appearance for many years
 - Reinforced with 2"x4" full length floor ribs for strength
 - Closed cell flotation foam for buoyancy and warmth with .063" aluminum floor panel
- ❖ Full width padded rear bench seat
 - Thick closed-cell vinyl/nitrile cushion –
- ❖ Four fishing holes with watertight plugs
 - Uniquely designed raised curb to lessen the chance for items falling down the holes
 - Fish from inside the vehicle; comfort, convenient, safer and warmer
 - The watertight plugs are multi-use providing added storage, ideal for bait, beverages, or the catch of the day.
- ❖ Vehicle size: Body 57" x 9'
Overall 64" x 12'4"
EXT Body 57" x 11'4"
Overall 64" x 14'4"
- ❖ Independent powered front and rear lift system, 3 1200lbs 12vdc linear actuators
 - With the push of a couple of buttons the hull raises to 11" for great ground clearance or lowers to the ice/ground bringing you down to the ice sealing out the cold
 - Gives you the unique ability to slide over snowdrifts or plow ridges plus is the key feature that allows the Wilcraft to self-extract
- ❖ LED Headlights and LED taillight
 - Bright and powerful adding visibility and safety both night and day
- ❖ Removable commercial grade indoor/outdoor rubber-backed floor carpet
 - For easy vehicle cleanup
- ❖ Large low pressure tires
Providing great traction on a wide range of terrains and soft footprint
Front AT22X10-8 Duro
Rear AT27X12-12 Swamp Light
Aluminum wheels
- ❖ Right hand Tiller style steering
 - Smartly placed for full use of cabin area
 -
